The screenshot shows a mobile banking app interface. At the top, there are two buttons: "Link a bank" and "Link a card". Below these, there is a "PayPal balance" section showing "\$0.00 Available". Underneath, there are two "BANK Savings" entries. A "Mastercard Appcard" is listed as "Credit". At the bottom, a "Visa Credit" card is highlighted with a blue border and a yellow warning icon. To the right of the card, there is a "Visa Credit" card image and a "Give it a nickname" link. Below the card image, there is a yellow warning box with the text: "Check your card statement for the code. Enter the code to confirm your card, and we'll lift your spending or withdrawal limits." Below this, there are fields for "Expiration date" and "Billing address".

(7) Confirmation of credit card and approval - ②

The screenshot shows a confirmation form for a Visa credit card. It contains several input fields: "VISA", "(SG)01/11", and "PP*7251 COD". The "PP*7251" code is highlighted with a red box.
